

REMARKS

Applicants have canceled claims 1-6, without prejudice, and have introduced new claims 7-14. Claims 7-14 relate to compounds useful for making pharmacologically active products, including products comprising tropenol. Support for the new claims may be found throughout the specification, for example, on pp. 3-5.

Early and favorable action on the merits is earnestly solicited.

Respectfully submitted,

Michael P. Morris  
Attorney for Applicant(s)  
Reg. No. 34,513
